

Experience the difference

Going places has never looked so good

The Rascal Eco3 and Eco4 deliver outstanding levels of comfort and performance in this latest generation of Rascal economy scooters. Discover independent freedom with this compact runabout that is easy to dismantle and load into a car boot.

Rascal
eco3&4

Choose from two distinctive colourways – Classic Red or Scenic Blue

The Eco3 offers all the benefits of the 4-wheel model plus additional legroom and manoeuvrability.

With excellent performance in its class, the Rascal Eco3 and Eco4 can be quickly dismantled for transportation – wireless connections, easy-grip and quick release locks, and manageable components – the heaviest Eco3 section is just 27lbs and the Eco4 34lbs, with a universal rear section of only 24lbs.

Comfortable swivel seat

Easy to fold and load

Easy to use controls with chunky handgrips

Lift up, width adjustable armrests

Padded swivel seat for extra comfort (folds flat for storage)

Adjustable tiller position

Carries riders up to 18 stone

Removable battery pack for ease of charging

Plenty of legroom

Extra wide tyres for improved grip and comfort

Tiller lock to secure for lifting during disassembly

Dismantles easily without tools
