

Moving in the right direction

If only everything was this good

The ground-breaking Liteway 3 design has evolved into the perfect blend of performance and comfort. Combining manoeuvrability and style with plenty of legroom, the Liteway 3 Plus is now easier than ever to transport and fits comfortably into most car boots.

Its two-piece chassis with ultra simple latch-lock system is designed to disassemble effortlessly reducing the weight of individual sections to only 12kg (27lbs), for easy lifting.
