➤ **Invacare® Lynx™**

Micro, Light, Portable: the Invacare® Lynx™

The *Invacare® Lynx™* is the portable micro scooter which eases your way to independence. As the ideal companion for shopping trips excursions and holidays, the **Lynx™** is the best way to accomplish daily activities effortlessly. Thanks to its micro proportions and its light weight, it fits easily in the boot of a car and is straightforward to dismantle. With the **Lynx™**, trips to the shops or the park become a pleasure.

NEW

Easy to Manage, Easy to Use

Museums, strolls in the park or downtown, movie theatres, shopping areas: the *Invacare Lynx* takes you everywhere, notably when space is tight. It simply fits in the boot of a car and leads the way to a relaxing drive.

Safe and Comfortable

Lynx is adjustable in order to offer a comfortable and safe position while driving. 360° swivel seat adjustable in height, also adjustable tiller and armrests: comfort is the primary focus. Speed is not forgotten as this micro scooter can reach 6km/h. For added safety, it has flat free tyres to prevent punctures.

Features and Options

Easy 4-piece dismantling

As simple as a child's play to assemble and dismantle, quickly if needed. *Lynx* is also tremendously easy to transport.

On/Off battery charging

The batteries can be charged where convenient, either by leaving the battery box in the scooter or by removing it for charging away from the scooter.

Intuitive controls

The control panel is easy to understand and simple to operate.
