

Yes, you can.®

## ➤ Invacare® **Flo-tech® Back Support**

### **The Flo-tech® Back Support Range**

The *Invacare® Flo-tech® Back Support* range has been designed to provide added stability to a wheelchair or standard armchair and it can be used in conjunction with any **Flo-tech®** cushion. The **Flo-tech® Back Support** range provides excellent comfort and improved positioning, which in turn helps to improve or maintain independence whilst in the seated position. The unique supportive design offers additional support and may provide protection from pressure ulcer formation and spinal deformities.

**3 year warranty**

## ➤ A highly protective back support

The **Flo-tech® Back Support** provides a high degree of stability and provides improved posture resulting in enhanced protection from pressure ulcer development.

## ➤ Added support of the lumbar region

The **Flo-tech® Back Support with Lumbar** can be used for those who wish to have increased lateral and pelvic stability. The Visco Elastic (memory foam) Lumbar Support contours to the individual and can be easily adjusted and secured with velcro pads to accommodate a range of heights.

### Options and Features

#### Standard cover is moisture resistant

The black towelling cover is two-way stretch, moisture-resistant and vapour-permeable, which helps to prevent a build up of shear and friction forces.

#### Extendable straps

Offers the client a securely fixed **Back Support** on a standard armchair or wheelchair. The straps are easy to adjust and can be fixed to a position that provides the client with the maximum comfort and support.

#### Complete Care - The Flo-tech® Lumbar Pad

Designed for lumbar support, this pad provides increased lateral and pelvic stability, as well as helping to restore the natural lumbar curve.

### Colours

Black Towelling (Standard)

Black Smooth (Option)
